

2010 Dance Connection Dance Camps

Welcome to the Dance Connection Dance Camp information. The schedule below outlines all of the summer dance camp offerings for the 2010 summer season. A description of each camp follows.

Registration:

Our new online registration will allow you to register for your summer dance camps online. If you are new to our registration process, you will be prompted to enter your email address as your user login name, then to create a password. Once you are in the system, you will be prompted to enter your family information. Next, enter the student or students in the family whom you want to register for a summer dance camp. If you are currently registered as a Dance Connection family, you would login under your existing user name to view your account. You will be able to click on the heading "Summer Dance Camps" to view the camp listings by week and name, then click on the specific camp you wish to register for. Only the camps that are age appropriate for the student you are registering will be viewable, however you will be able to view the entire schedule from the home page of our website when you click on "Class Schedules."

Upon registering, your account will be billed for half the amount of the camp session fees. This amount must be paid online by midnight on the date of registration, or the system will delete your enrollment. The payment is very important when camps begin to fill up, so please do not miss this important step.

Summer Dance Camp Cancellations/Changes: If you must drop a camp session or make a change to your existing camp registration, there will be a \$50.00 charge. For cancellations, the fees are refundable less the \$50.00 deposit/change fee. Please make your session selections with care. You will be able to drop a camp session after enrolling yourself until midnight EST on the day you register without incurring fees. After that time, you must contact the studio via email at: info@danceconnectionpalalto.com for changes or cancellations.

Dance Connection 2010 Dance Camps **CAMP DESCRIPTIONS**

***Special note about dance shoes and attire:** Although we recommend that students have dancewear and the suggested type of shoes, it is not necessary to have each specific type of dance shoe and attire for our week-long session. We have many “loaner” dance shoes available for students to use. If you would like to purchase one type of shoe, a ballet slipper may be worn for both ballet and jazz dance for children. For the teen jazz dance camps, we recommend the low-cost Capezio Foot Undeez, or borrow shoes from us. Learning different styles of dance over the summer can be very fun, and need not be hindered by having to purchase new shoes, too.*
