

KINDER CONNECTOR INVITATION

Dear Dancer and Parents:

We have formed a new group called **Kinder Connectors**. Kinder Connectors is a jazz dance team comprised of 5-6 year old children who love to dance. Kinder Connector team is patterned after our Connectors, a non-competitive group of young dancers (ages 6-8) who wish to further their dance ability by participating in extra events and performances. Connector team is the premier training ground for a young dancer who desires a more serious dance education.

Kinder Connectors is a specialized class and rehearsal that is open to select dancers. Dancers who participate in Kinder Connectors will have the opportunity to perform in extra events and performances.

Your child has been selected for this new group. We encourage you to also register for an additional class for your child, aside from this Kinder Connector class. A kinder combo class, pre ballet, junior jazz, or any other combo style class will be a wonderful addition. Additional classes are recommended, but not required. There is a kinder combination class immediate prior to the rehearsal class that we recommend as a great option. To accept and register for this special class, please look for a pre-approved email with a link to register.

The following is an example of some planned 2018-2019 Kinder Connector events:

- Perform at the Blossom Halloween Event (California Avenue in Palo Alto) on October 28, approximately 9:30-10:30
- Group Nutcracker performance trip on Saturday, December 1 at 4:00.
- Perform at Dance Connection's PADCYE Breast Cancer Benefit on March 24, 2019. This is a Dance Connection annual tradition benefitting the Susan G. Komen for the Cure.
- Participate in Palo Alto's Annual May Fete Parade on Saturday, May 4, 2019 and related rehearsals.
- Perform at Dance Connection's end-of-year shows (Let's Dance 2019 Matinee)
- Other possible community events such as Cubberley Community Day in March, TBD

We will be purchasing costumes in early winter, and will take measurements in class later this fall. I am excited to offer this special new group to our young dancers, and hope that you can join us. Please let me know if you have any questions.

Sincerely,

Cindy
