Please have your dancer inside the theatre by the call time.

- **UPON ARRIVAL:** From the parking lot, continue straight up all of the stairs, and around to the front of the theatre where you will enter the theatre through the main lobby.
- **WHERE TO GO:** As you enter the theatre lobby, check the bulletin board for directions on which side to enter. Dancers will be seated in order of appearance in the audience with each row designated for a class from audience left to right. Parents may sit in the center section, and we ask that you leave the seats designated for the dancers only for the dancers so we have space for our dancers.
- **TEAM DANCERS AND THOSE WITH COSTUME CHANGES:** Dancers may enter via the Stage Right Stage door and set up their costume changes in the dressing rooms. We will not be using the downstairs dressing rooms for dress rehearsal.
- **FOOD:** Although rehearsals are happening during dinner hours, there must be **NO** food or drinks brought into the theatre. If you need to eat or drink, you may do so outdoors before or after dancing.
- **REST/HOMEWORK/ETC.:** Please be prepared for a long evening, and make sure dancers get the proper rest prior to our rehearsal. Dinner should be eaten before arriving, and homework and studies may be brought and worked on at the theatre. Please prepare properly and plan accordingly.
- **WATCHING THE SHOW:** Remember, the dress rehearsal is the only chance your dancer will have to watch the entire show. Feel free to attend as much of the dress rehearsal as you like, or even another day. Everything is open. Each show is entirely different with a different cast and different routines and choreography.
- **TIME FRAMES:** The call time and estimated rehearsal time are the times for each group to be in the theatre. We will make sure that every group gets the necessary time to set their staging and rehearse their routine for a successful performance.
- We will make every effort to get the cast home early on this school night!
- Although you may drop off your child, please be prompt in picking up in person at the theatre stage door or house no later than 8:15.
