# Hello,

**First, a big thank you!**

During this time of unprecedented certainty, all of us here at HDZ Productions are concerned about the safety and well-being of our families, clients, clients families, and the many friends and partners who make up our community. Our hearts are with those who have been affected personally by the outbreak of coronavirus (COVID-19) as well as the many communities around the world that are facing extreme measures in the attempt to slow its spread. Your families are in our prayers.

At this time we are asking our clients to please bear with us as we are making every effort to keep current projects going out in a timely manner.

We are currently 2-3 weeks behind schedule. This is due to our employees being directly impacted by Covid and having to decrease our staff size to keep the health and safety of our employees at the forefront of our operations.

We are currently still in operation at this time and will not cease operations unless it is legally necessary. All new inquiries that go out from this post forward will have the current delays in mind.

We thank you for trusting HDZ Productions with your recital this season. We look forward to working with you in the future.

Warmest regards,

**HDZ Productions**
